

Bear Valley Resort Teams Protection Plan

Bear Valley Resort is offering a Teams Protection Plan that provides a way to secure your investment of Bear Valley Team registrations against injury or medical condition.

How does the Teams Protection Plan work?

The Teams Protection Plan is available to all Team members (Kodiak, Youth Devo, Adult Devo and Race Teams). The Teams Protection Plan offers a pro-rated carryover program giving Team members the confidence that their Teams investment is protected in case of injury or an extensive medical condition during the winter season. **The Teams Protection Plan must be purchased at the time of purchase – no exceptions.**

What is the cost of the Pass Protection Plan?

The Teams Protection Plan cost \$20 and is available to all Team members. Carefully consider the Teams Protection Plan as no other offers are available to protect your investment in case of injury or medical condition. In the event of a credit carryover (see below), this \$20 fee will not be applied to the credit carryover.

How Is the Credit Carryover applied?

The credit carryover plan ensures that all Teams members enrolled in the Teams Protection Plan, and who meet the terms of the program, are eligible to receive a credit towards the purchase of a Teams product for the following season. To determine the amount of credit that will be issued, a simple pro-rated formula is applied based on the number of training dates that have passed:

- 0 Teams training dates have passed - 100% credit carryover
- 1-2 Teams training days have passed - 75% credit carryover
- 3-5 Teams training days have passed - 50% credit carryover
- 6-9 Teams training days have passed - 25% credit carryover
- 10+ Teams training dates have passed - the Teams registration is considered "fully utilized" and no credit will be issued.

The determined pro-rated credit applied will also be subject to a \$30 processing fee.

Terms and conditions

- No CASH refunds will be issued; all remunerations will be issued in the form of a credit carryover.
- Credit carryovers can only be applied to the claimant and must be utilized towards a Team for the winter season immediately following the season in which injury or medical condition occurred. All carryover rates are based on the price at the time the Team product was originally purchased (less the \$30 processing fee).
- Recommendation of non-participation must be provided in writing from a certified medical physician. (Physician may not be related to the claimant and recommendation must be on physician's letterhead in the continental United States).
- The cost of the Teams Protection Plan is nonrefundable for any reason.
- Teams Protection Plan becomes invalid after 10 training dates have passed.
- The Teams Protection Plan is valid for only one winter season; re-enrollment is required for an additional winter season.

Exclusions

This Teams Protection Plan has exclusions, including but not limited to the following: Any loss caused by skiing or riding outside the established boundaries of the "ski area"; lack of snow at the ski resort; dissatisfaction with conditions, terrain, employees or other facets of Bear Valley Mountain; professional skiing or ski patrol activities; job transfer, change of employer, loss of employer or loss of employment; transfer to an educational institution; suicide or any attempted threat; alcohol, drug or other substance abuse; being under the influence of drugs, alcohol or other substances; being legally intoxicated as defined by laws at the jurisdiction where the accident occurs; mental or emotional disorders, or pre-existing medical conditions.

All Bear Valley Teams Sales Are Final. NO CASH REFUNDS will be provided; remuneration will be issued by means of a "credit carryover" for the following winter season

I have read, understand and agree with the Team Protection Plan Terms, Conditions and Exclusions. I understand that even if I purchase the Team Protection Plan, I may still not be eligible to receive any sort of credit carryover dependent on number of training days that have passed prior to claim filing and the terms and exclusions outlined within of this form. I understand that any credit carryover will be determined at the sole discretion of Bear Valley Mountain.

Team Protection Plan is non-transferable and non-refundable
